

About I Do Studio

Raymond James is a photographer of choice among discerning brides for the following reasons:

- *A fresh modern style of photography* – that blends wedding photojournalism and artistic photography to capture the heart and soul of your special day.
- *A passion for creating great images* – I approach each and every image as a piece of art to be created for you to cherish a lifetime.
- *Artistic competency* – more than 15 years of combined creative experience in photography, photo retouching, and graphic design. In short, someone who's mastered the skill to make you look your best and capture your special moments with style.
- *One-of-a-kind Magazine Style albums* – very few can design albums that uniquely and artistically retell the story of your wedding day.
- *Easy to work with* – I'm here to listen to your needs and make this photography thing as enjoyable and relaxing as possible. In fact, you won't even know you're being photographed most of the time.
